"The Old Order Changeth, Yielding Place To The New"

How aptly these words by Tennyson describe our changing world! Progress is the keynote of our daily living—the underlying principle of all our undertakings.

Progress is evident in Souderton. One of the most rapidly developing segments of our community is its educational system. Souderton can point with pride to her academic achievements through the years, particularly those in secondary education.

In 1930 the leaders of our community realized the need for a new and better high school. The men upon whose shoulders fell the tremendous job of planning did their work well. With keen foresight they developed and accepted a school design that would serve the community for a quarter of a century.

At the time of its opening, Souderton High School was the ultimate in construction, containing all the latest conveniences and unprecedented aids to education. Included in this building were many signs of advancement. Luxurious in 1932—the gym, the up-to-date home economics rooms, the beautiful auditorium, the spacious cafeteria, the excellent library, the well-equipped science laboratories. All these are now considered to be indispensable in every modern school.

Moreover, signs of progress in educational theories were obvious. The many extra-curricular activities, the wide range of electives offered to students, the development of sports from a hobby enjoyed by a few participants to a full-scale organization supported by the entire community—these are further steps forward in our educational system.

Through the intervening years, Souderton High School has served the community well. Twenty-five classes have graduated from Souderton, and people in all walks of life cherish the knowledge and memories of the "best years of their lives" spent in S. H. S.

However, we live in a changing world, and once again the need for improvement and advancement in the school system is evident. Once again the most recent educational trends will be followed. A new addition is being built, and Souderton High School will incorporate and become the Souderton Area Joint School System.

Naturally, the new school promises educational opportunities and "luxuries" never conceived by our parents.

This is **Progress** — the 1958 Unaliyi salutes it.

Our Supervising Principal,

E. Merton Crouthamel

Greetings, Class of 1958

Souderton High School has endeavored to teach you an important lesson of life—that you cannot get something for nothing. The future still belongs to those who will work, those who can see ahead, those who are willing and able to lead. Recalling your high school experiences, you realize the importance of this attitude. Hard work and determination are necessary if you would be successful.

As you continue your education or enter the business world, make it a part of yourself to accomplish everything to the best of your ability and the results will gratify you.

As you go, you have our congratulations and best wishes for the future.

Sincerely,
E. Merton Crouthamel

Our Principal, William E. Maxwell

Congratulations, Class of 1958

May the future bring to you as much happiness and satisfaction as that which you have brought to our school.

It is gratifying to see so many fine young people with so much to offer in the way of eagerness, enthusiasm, ability, aptitude, and determination in starting careers, building futures, and taking their places in society as active participants in our democratic way of life. It speaks well for our country that its future is in your hands

Good luck; may God be with you.

Sincerely,
William E. Maxwell

UNALIYI

... that we might remember

With an eye to the future, the junior class of 1957 chose a committee to begin work on the senior yearbook, the *Unaliyi*, under the helpful guidance of Miss Weinert. Work got into full-swing in the fall with the election of the editor, Barbara Nace, and the assistant editors, Alfred Feingold and Kenneth Bergey.

Calendar dates took on a new meaning—they were now the ever-looming deadlines.

There followed a very successful sales campaign, capably handled by the business advisor, Miss Gerhart, and her associates, the business staff. Sales were greatly supplemented by the presentation of an original skit entitled "Around the World in Eighteen Minutes."

To carry out the tradition of its Indian name, *Unaliyi*—the meeting-place of friends—the staff decided to dedicate the 1958 *Unaliyi* to Souderton High School. Looking also to the future with a flair for originality, they used a colored picture of the school—a first at Souderton.

Taking pictures, typing copy, holding meetings, and in general, just plain working—these were the many problems and tasks facing the yearbook staff.

The time of our senior year flew past so swiftly, yet we shall have these pages to refresh our memories, to evoke fond recollections, and to kindle the warm glow of remembrance and sentimentality.

ARROW HEAD

all the news that's fit to print

Souderton High's weekly news, the "Arrowhead" appears in the local "Souderton Independent" and other newspapers throughout the area with a thorough coverage of all school activities. In 1958 the "Arrowhead" has made great strides and has become very popular with adults as well as with all students in Souderton. If a student does not receive a newspaper at home, he may still read the "Arrowhead" from the weekly editions that are posted on the school bulletin board.

A weekly paper of this size takes much hard work and time to compile. The hard-working students who run the "Arrowhead" under Mrs. Kraybill, the English faculty advisor, are these: seniors—Joan Hunsicker, Barbara Nace, and Paul Krasner; juniors—Peggy Clemmer, Barbara Rupp, and Helen Kriebel; and sophomore Beverly Fretz.

USHERETTES

a warm welcome to Souderton High

The Usherette Corps consists of junior girls chosen by the faculty to serve during the year at various school functions such as Open House, Concerts, the Senior Play, Visitation Night, Baccalaureate Services, and Commencement.

Under the supervision of Mr. Gazdick the girls chose Peggy Clemmer to be their captain. Congratulations to a group which can always be counted on to greet both friends and strangers and make them welcome at S.H.S.

JUNIOR ASSEMBLY OFFICERS

First Semester: G. Smith, president; L. Mammeter, pianist; I. Clemmer, secretary; J. Loux, vice-president.

BAND

marching along together

During the past year, the band, under the direction of its beloved maestro, Maurice Foulke, has upheld its record as being one of the finest bands in the Bux-Mont league.

In addition to preparing the many and varied programs for football and basketball seasons, the band participated in the Candlelight Service, which was presented to the student body, and the annual Spring Concert, held on April 12.

As in previous years, several instrumentalists were selected to play in the Bux-Mont band concert, and one of the members, Barbara Rupp, was chosen to participate in the Southeastern District Band. The student directors for the year were John Kinsey and Arthur Clyde. Congratulations to an outstanding outfit.

SENIOR HIGH CHORUS

music hath charms

ORGANIST
Lois Trumbore

The Souderton Senior High School Chorus began its season with a new directress on the podium, Miss Dieterle. The group of talented voices set immediately to the task at hand—that of preparing the Christmas Candlelight and Spring Concerts. Another of the firsts at Souderton this year, the presentation of the candle light service to the student body, enabled all of its students to attend.

Never ceasing to amaze parents and teachers alike is the amount of musical ability in the students here at Souderton. Miss Dieterle presented these abilities in a beautiful blending of voices to produce lovely strains of music.

JUNIOR CHORUS

AUDIO-VISUAL CLUB

our celluloid servants

These are the people responsible for the projection of all our movies, the supervision of the sound at dances, operators of our scoreboard, and in aiding in many other of our social functions.

Mr. Miller, the club's sponsor, teaches the boys such valuable information as the operation of the movie projectors, repair of films, and many technical "tricks of the trade."

Since the entire club is completely an all-volunteer project as far as this term was concerned, they should be a great benefit to the school in their remaining years.

MAJORETTES

strutting lively on field and court

Six squaws led by Janet Neal, captain, faithfully performed during the varsity football games. Never to be forgotten, too, were the pre-football game pep rallies at which they deftly twirled their batons before a group of enthusiastic students.

This peppy group consisted of three seniors—Janet Neal, Virginia Matezak, and JoAnn Landis; three juniors—Sandra Hunsberger, Shirley Frederick, and Nancy Huber; and one Sophomore—Bonnie Rahn.

CHEERLEADERS

*... we'll give a cheer
for the varsity*

The Souderton High cheerleading squad is composed of eight peppy girls, four seniors and four juniors, who are selected at the end of their sophomore year. These girls uniformly lead the cheering that helps push the varsity football and basketball teams on to victory.

To the cheerleaders fall the task of putting out blazing red and white pom-poms. Under the excellent leadership of Mr. [unclear], the girls lead the student body and add their spirit to the sports events.

The members of the squad are these: seniors—Joan Hunsicker, Pauline Rest, Rose Marie Spacek, and Virginia Stuchlik; juniors—Peggy Meyer, Judith Meyer, and Katherine Smith. Prior to the basketball season, Peggy Stuchlik was elected captain of the senior squad, and Peggy Meyer, captain of the junior squad.

"Hail to the Varsity!" And it was a great varsity that the 1958 season saw, possibly one of the best Souderton High will ever produce.

Paced by the potent pitching arm of senior quarterback, Barry Rahn; the daring, circus catching of end, Larry Freed; the tremendous running power of Larry "Buck" Souder and S. Donald. "Monk" Moyer, two of the best scat backs in the Bux-Mont League; and the talented kicking toe of Leonard Jones, the Indians stood as a formidable threat for the league title at the onset of the season. Unfortunately, the breaks didn't go Souderton's way and the Indians dropped three close decisions out

of their first five games. However, these heart-breaking losses didn't dampen the team's spirit and the Indians fought back to finish the rest of the season undefeated and notch third place in the league with a 7-3 record.

Indians who received special awards were Larry Freed and Barry Rahn, first team All-Bux-Mont (the latter being elected permanent team captain and also the team's most valuable player); Larry Souder and S. Donald Moyer, second team All Bux-Mont. (Moyer also won the Bux-Mont scoring title), and Paul Tressler, All Bux-Mont Honorable Mention.

Assistant coaches: W. Coyle, W. Boorse, R. Schwab.

BASKETBALL

This year Souderton fielded its strongest basketball team in many a season. Built around the nucleus of five returning lettermen, the Indians, for the first time in many seasons were being considered as a serious threat for the league title.

Spearheaded by captains Barry Rahn and Larry Freed, an All-Bux-Mont performer in 1957, seniors Leonard Jones, and S. Donald Moyer; and junior Wilson Kratz; Mr. Hughes' quintet was all set to give Souderton its most thrilling basketball season in quite a while.

VARSDITY BASEBALL

Close play at first.

As spring rolls around this year, one will hear the familiar sound of a bat hitting a ball. It is once again time to get out the baseball bats, gloves, and suits—time for the Souderton fans to come to the games and cheer for the team.

As usual, Souderton is expected to have a strong team. With graduation taking away the core of the pitching staff and a number of regulars of the previous season, the team will feel a definite loss. But with six lettermen from last year's team returning, this loss should be overcome.

The six lettermen are these: Larry Souder, playing shortstop; Barry Rahn, holding down the initial sack; Wilson Kratz, working from behind the plate; Robert Bunton, Carl Weitzel, and Ray Mininger, roaming the pastures.

With the abundance of capable juniors and sophomores to help the veterans, this team should give the Souderton fans something to cheer for.

TRACK AND...

One of the hardest working teams at S. H. S. is the track squad. The boys start training early in the winter and practice all winter for their few meets in the spring. But all this work is truly paying off, for track, once a sport that drew little attention from anyone at Souderton, is rapidly drawing the interest of many fans and becoming one of the most popular sports around S. H. S.

The boys making up the nucleus of this year's

track squad are returning lettermen Larry Freed, S. D. Moyer, ~~Edward~~ Jones, Paul Tressler, Alfred Feingold, and Royden Clemens. Other members are Edward Algard, Robert Kirkpatrick, Thomas Nase, Clyde Moyer, and John Kinsey.

The boys will run in the Penn Relays, The Boyertown Relays, The Bux-Mont Track Meet, and will also challenge some of the surrounding Bux-Mont track teams.

HOCKEY

With the arrival of hockey season, approximately sixty girls heeded Miss White's call for recruits, giving her an extremely wide selection from which to choose. However, out of this large group there was only one returning letterman, Susan Schnabel, who was elected captain for the 1957-'58 season. Other seniors who maintained a berth on the team and who should be lauded for their excellent sportsmanship, co-operation, and capability are Virginia Stoneback, Barbara Nace, Virginia Matczak, Suzanne Kelso, and Gertrude Beck.

Throughout the season the maids showed plenty of spirit and aggressiveness although winning only two games. Victories came over Pennridge, and Upper Moreland, a surprising triumph.

BASKETBALL

The 1958 Basketball team was relatively inexperienced having only two returning lettermen, Susan Schnabel and Nancy Moore; in spite of this, the season proved to be an interesting one in Souder-ton's history.

Under the capable leadership of Miss White and Susan Schnabel, captain of the team, the girls fought hard and played to win.

Doing a fine job of shooting were Virginia Stoneback, JoAnn Alderfer, Phyllis Ruth, Mary Stover, and Susan Schnabel. Excellent guarding was done by Clarice Bergey, Virginia Matczak, Joanne Moyer, Nancy Moore and Sandra Hunsberger.

SOFTBALL

With four returning lettermen plus a host of promising juniors and sophomores, the 1958 softball team has high hopes for a successful season. The four lettermen are senior Susan Schnabel; two juniors, Mary Stover and Sandra Hunsberger; and one sophomore, Phyllis Ruth. Susan, the slugger of the team, is an excellent outfielder, she has had plenty of previous experience having played on the varsity team since her freshman year. Mary, another slugger, has also earned a letter since her freshman year. The experience of Sandy and Phyllis should prove a great value to the team.
